

ABIGAIL HOUSE
For Nursing & Rehabilitation

ABIGAIL HOUSE CURRENT “COVID STATUS” as of 9/2/2021

Unfortunately, two employees tested Covid+. They are quarantining at home. All residents tested Covid-. Employees of Abigail House are being tested for Covid 3 times a week.

We continue to take many precautions trying to prevent Covid19 from spreading – including washing and sanitizing hands, limiting visitors, and taking the temperature of all who enter the facility. All unvaccinated new admissions and readmissions are quarantined in a designated area for 14 days.

For the most up-to-date status and any concerns, please call **856-365-8500**.

**COVID19 VACCINES have been administered
to most of our residents!**

CURRENT VISITING POLICY DURING COVID PANDEMIC

Under certain special circumstances Abigail House may need to limit and /or restrict our visiting hours to help protect the community. In those situations, we will do our best to post an update on our website.

Currently Abigail House is open to scheduled outdoor visitations.

All visits must be scheduled at least 24 hrs in advance. Appointments can be set up by calling the Activities Director, Tess, at the facility, or via email at *tmarquez@abigailrehab.com*.
